Deputy Secretary to Government

Sir,

With reference to Government official Memorandum No 1000 of the 8th January 02 Calling for a report on the petition of Kalasappia and other residents of Kalsa praying for the Construction of a School building at Kalasa out of the Kalaseswara Swami temple funds, I have the honor to report that at present a Sanskrit School maintained out of the temple funds is being held in the temple itself. This naturally causes considerable inconvenience at the time of

Jattras

jatras and other celebrations. For the better work of this school at all times and for the location of the other Government Hobli Schools now existing in Kalasa it seems to me that a separate building may be Constructed as prayed for by the petitioners. The same building being thus available for both Institutions it appears that a moiety of the Cost of Construction may be met from the Kalasa temple funds while the other moiety appears to be a proper charge on the Education Department

The original petition received with the docket under reply and Vernacular Correspondence ending with Mudigeri Amildar's report No. 86 Dy 27-1-02 are enclosed.
